7. AUTHORITY FOR THE BUYBACK

The Buyback is in accordance with the provisions contained in Article 7(e) of the Articles of Association of the Company, Sections 68, 69, 70 and all other applicable provisions if any, of the Companies Act, 2013, as amended, the Share Capital Rules, the Management Rules and the provisions contained in the Buyback Regulations.

The Buyback is subject to approvals as may be necessary, from time to time from statutory authorities including but not limited to SEBI, BSE and NSE.

The Board of Directors at their meeting on Thursday, December 20, 2018 passed a resolution approving Buyback of Equity Shares of the Company and sought approval of Shareholders, by a special resolution through Postal Ballot Notice. The Shareholders of the Company have approved the Buyback by way of a special resolution, through the postal ballot as aforesaid.

8. NECESSITY OF THE BUYBACK

The Buyback is being undertaken by the Company to effectively utilize its surplus cash by rewarding its equity shareholders. The Buyback of Equity Shares will result in reduction of the paid up equity share capital of the Company. The Company believes that the Buyback may create long term value for its equity shareholders. The Buyback through Tender Offer process under the Buyback Regulations gives an option to the existing equity shareholders to either receive the surplus cash by tendering their Equity Shares in the Buyback or remain invested and enjoy the percentage increase in the shareholding in the post Buyback capital. The Buyback through Tender Offer, inter-alia, offers the following advantages:

- (i) The Buyback gives the Company an opportunity to distribute surplus cash to its shareholders in proportion to their shareholding;
- (ii) The Buyback involves allocation of 15% reservation to small shareholders subject to their entitlement as required under the Buyback Regulations. The Company believes that this reservation for small shareholders would benefit a large number of public and retail shareholders, who would get classified as "small shareholders";
- (iii) The Buyback may help in improving return on equity and other financial ratios, by a reduction in the equity base, thereby leading to long term increase in shareholders' value; and
- (iv) The Buyback gives an option to the existing equity shareholders to either participate in the Buyback and receive cash in lieu of equity shares accepted under the Buyback or not participate in the Buyback and enjoy a resultant increase in their percentage shareholding in the Company post the Buyback without any additional investment.

9. MANAGEMENT DISCUSSION AND ANALYSIS OF THE LIKELY IMPACT OF BUYBACK ON THE COMPANY

9.1 The Buyback is not likely to cause any material impact on the profitability/ earnings of the Company except a reduction in the amount available for investment, which the Company could have otherwise deployed towards generating investment income. Assuming there is full response to the Buyback to the extent of 100%, the funds deployed by the Company towards the Buyback would be not exceeding ₹ 69,00,00,000 (Rupees Sixty Nine Crores Only) (excluding transaction costs viz. brokerage, securities transaction tax, service tax, GST, stamp duty, etc.).

9.2 In terms of the Buyback Regulations, under the Tender Offer process, the promoters of the Company have the option to participate in the Buyback. However, the Company is professionally managed and does not have any identifiable promoters or promoter group or persons in control. Hence, the disclosure of promoters' intention to participate in the Buyback, promoters' holding before and after the Buyback is not applicable.

9.3 Assuming full acceptance of Equity Shares in the Buyback, the aggregate percentage shareholding of the public (excluding

Equity Shares held by IEX ESOP Trust) after the Buyback will be 99.54% of the post Buyback Equity Share capital of the Company compared to the public shareholding percentage as on the date of Record Date i.e. 99.55% of the total paid-up Equity Share capital of the Company.

- 9.4 The Buyback shall not result in a change in control or otherwise affect the existing management structure of the Company.
- 9.5 Consequent to the Buyback and based on the number of Equity Shares bought back from the Non-Resident Shareholders, FPIs, Indian financial institutions, banks, mutual funds and the other Shareholders including other bodies corporate, the shareholding pattern of the Company would undergo a change. The FPIs are advised to ensure that their investment in the Company continues to be within the limit prescribed under applicable laws, post completion of the Buyback. Under the Consolidated Foreign Direct Investment Policy notified by the D/o IPP F. No. 5(1)/2017-FC-1 effective from August 28, 2017 (“**FDI Policy**”), no non-resident investor/entity, including persons acting in concert, can hold more than 5% of the outstanding Equity Shares of the Company.
- Further, under the Central Electricity Regulatory Commission (Power Market) Regulations, 2010 (“**Power Market Regulations**”): (i) a member of the power exchange can have a maximum of 5% shareholding (whether directly or indirectly) in the power exchange; (ii) any shareholder other than a member of the power exchange can have a maximum of 25% shareholding (whether directly or indirectly) in the power exchange.
- 9.6 The debt-equity ratio post Buyback will be compliant with the permissible limit of 2:1 prescribed under Section 68 of the Companies Act, 2013 and Regulation 4(ii) of the Buyback Regulations, even if the response to the Buyback is to the extent of 100% (full acceptance).
- 9.7 The Buyback will not in any manner impair the ability of the Company to pursue growth opportunities or meet its cash requirements for its business operations. The Buyback may help in improving return on equity and other financial ratios, by a reduction in the equity base, thereby leading to long term increase in shareholders’ value.
- 9.8 In compliance with regulation 24(i)(b) of the Buyback Regulations, the Company shall not issue and allot any equity shares or other specified securities (including ESOPs) including by way of bonus till the date of expiry of the Buyback Period.
- 9.9 The Company shall not raise further capital for a period of one year from the expiry of Buyback Period except in discharge of its subsisting obligations.

19. PROCESS AND METHODOLOGY FOR THE BUYBACK

19.1 The Company proposes to buyback not exceeding 37,29,729 (Thirty Seven Lakhs Twenty Nine Thousand Seven Hundred Twenty Nine) Equity Shares from the Eligible Shareholders of the Company, on a proportionate basis, through the Tender Offer process at a price of ₹ 185 (Rupees One Hundred Eighty Five Only) per Equity Share, payable in cash for an aggregate consideration not exceeding ₹ 69,00,00,000 (Rupees Sixty Nine Crores Only) excluding transaction costs viz. brokerage, applicable taxes such as securities transaction tax, service tax, stamp duty, etc. The maximum number of Equity Shares proposed to be bought back represents 1.23% of the total number of Equity Shares in the paid-up share capital of the Company as on March 31, 2018. The Buyback Committee at its meeting held on Friday, February 1, 2019 has approved the Buyback price as ₹ 185 (Rupees One Hundred Eighty Five Only). The Buyback is in accordance with the provisions of Article 7(e) of the Articles of Association of the Company, Sections 68, 69, 70 and all other applicable provisions, if any, of the Companies Act, 2013 and rules made thereunder, the Buyback Regulations and subject to such other approvals, permissions and sanctions as may be necessary, from time to time from statutory authorities including but not limited to SEBI, Stock Exchanges, RBI etc. The Buyback Offer Size represents 24.97% of the aggregate of the fully paid-up share capital and free reserves as per the audited financial statements of the Company for the financial year ended March 31, 2018 (the last audited financial statements available as on the date of Board Meeting recommending the proposal of the Buyback) and is within the statutory limits of 25% of the aggregate of fully paid up share capital and free reserves as per the audited accounts of the Company for the Financial Year ended March 31, 2018.

THE COMPANY EXPRESSES NO OPINION AS TO WHETHER ELIGIBLE SHAREHOLDERS SHOULD PARTICIPATE IN THE BUYBACK AND, ACCORDINGLY, ELIGIBLE SHAREHOLDERS ARE ADVISED TO CONSULT THEIR OWN ADVISORS TO CONSIDER PARTICIPATION IN THE BUYBACK.

19.2 In terms of the Buyback Regulations, under the ‘Tender Offer’ process, the promoters of the Company have the option to participate in the Buyback. However, the Company is professionally managed and does not have any identifiable promoters or promoter group or persons in control.

19.3 Record Date, Ratio of Buyback and entitlement of each Shareholder

(a) The Buyback Committee in its meeting held on Friday, February 1, 2019 announced Friday, February 15, 2019 as

Record Date for the purpose of determining the Buyback Entitlement and the names of the Shareholders, who are eligible to participate in the Buyback Offer.

- (b) The Equity Shares proposed to be bought back by the Company shall be divided in two categories:
- Reserved category for Small Shareholders (“**Reserved Category**”); and
 - General category for all Eligible Shareholders other than Small Shareholders (“**General Category**”)
- (c) As defined in the Buyback Regulations, a “**Small Shareholder**” is a shareholder who holds Equity Shares having market value, on the basis of closing price on the Stock Exchanges in which the highest trading volume as on Record Date, of not more than ₹ 2,00,000 (Rupees Two Lakhs). As on Record Date, the volume of Shares traded on NSE was 49,014 shares and on BSE was 4,470 Shares. Accordingly, NSE being the exchange with highest turnover, the closing price was ₹ 161.75 and hence all Shareholders holding not more than 1,236 Equity Shares as on the Record Date are classified as ‘Small Shareholders’ for the purpose of the Buyback Offer.
- (d) Based on the above definition, there are 75,271 Small Shareholders with aggregate shareholding of 76,85,577 Shares, as on Record Date, which constitutes 2.53% of the outstanding paid up equity share capital of the Company and 206.06% of the number of 37,29,729 Equity Shares which are proposed to be bought back as part of this Buyback Offer.
- e) In compliance with Regulation 6 of the Buyback Regulations, the reservation for the Small Shareholders will be 5,59,460 Equity Shares which is higher of:
- (i) Fifteen percent of the number of Equity Shares which the Company proposes to Buyback i.e. 15% of 37,29,729 Equity Shares which works out to 5,59,460 Equity Shares; or
 - (ii) The number of Equity Shares entitled as per their shareholding as on Record Date i.e. $(76,85,577 / 30,32,86,240) \times 37,29,729$ which works out to 94,516 Equity Shares.

All the outstanding Equity Shares have been used for computing the entitlement of Small Shareholders.

In case the total number of Equity Shares held by the Small Shareholders on the Record Date is less than 5,59,460 (higher of (i) and (ii) above), the maximum number of Equity Shares reserved for Small Shareholders will be restricted to the total number of Equity Shares held by the Small Shareholders as on Record Date.

- f) Based on the above and in accordance with Regulation 6 of the Buyback Regulations, 5,59,460 Equity Shares will be reserved for Small Shareholders. Accordingly, General Category shall consist of 31,70,269 Equity Shares.
- g) **Clubbing of Entitlements**
- In order to ensure that the same Eligible Shareholders with multiple dematerialized accounts/ folios do not receive a higher entitlement under the Small Shareholder category, the Equity Shares held by such Eligible Shareholder with a common PAN shall be clubbed together for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical shall be clubbed together. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/ foreign portfolio investors etc. with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/ subaccounts and have a different dematerialization account nomenclature based on information prepared by the Registrar as per the shareholder records received from the depositories. Further, the Equity Shares held under the category of “clearing members” or “corporate body margin account” or “corporate body – broker” as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.
- h) Based on the above entitlements, the Ratio of Buyback for both categories is decided as below:

Category	Ratio of Buyback
Reserved Category	19 Equity Shares out of every 261 fully paid-up Equity Shares held on the Record Date
General Category	4 Equity Shares out of every 373 fully paid-up Equity Shares held on the Record Date

The above Ratio of Buyback is approximate and providing indicative Buyback Entitlement. Any computation of entitled Equity Shares using the above Ratio of Buyback may provide a slightly different number due to rounding-off. The actual Buyback Entitlement for reserved category for Small Shareholders is 7.27934935789466% and general category for all other Eligible Shareholders is 1.07248372443603 %.

19.4 Fractional Entitlements

If the Buyback Entitlement, after applying the abovementioned ratios to the Equity Shares held on Record Date, is not a round number (i.e. not in the multiple of 1 (one) Equity Share) then the fractional entitlement shall be ignored for computation of Buyback Entitlement to tender Equity Shares in the Buyback Offer, for both categories of Eligible Shareholders.

On account of ignoring the fractional entitlement, those Small Shareholders who hold 13 or less Equity Shares as on Record Date will be dispatched a Tender Form with zero entitlement. Such Small Shareholders are entitled to tender Additional Equity Shares as part of the Buyback Offer and will be given preference in the Acceptance of one Equity Share, if such Small Shareholders have tendered for Additional Equity Shares. The Company shall make best efforts subject to Buyback Regulations in accepting Equity Shares tendered by such Shareholders to the extent possible and permissible.

19.5 **Basis of Acceptance of Equity Shares validly tendered in the Reserved Category**

Subject to the provisions contained in this Letter of Offer, the Company will accept the Shares tendered in the Buyback Offer by the Small Shareholders in the Reserved Category in the following order of priority:

- (a) Full acceptance (i.e. 100%) of Shares from Small Shareholders in the Reserved Category who have validly tendered their Shares, to the extent of their Buyback Entitlement, or the number of Shares tendered by them, whichever is less.
- (b) Post the acceptance as described in paragraph 19.5 (a) above, in case, there are any Shares left to be bought back from Small Shareholders in the Reserved Category, the Small Shareholders who were entitled to tender zero Shares (on account of ignoring the fractional entitlement), and have tendered Additional Shares, shall be given preference and one Equity Share each from the Additional Shares tendered by these Small Shareholders shall be bought back in the Reserved Category.
- (c) Post the acceptance as described in paragraph 19.5(a) and (b) above, in case, there are any validly tendered unaccepted Shares in the Reserved Category (“**Reserved Category Additional Shares**”) and Shares left to be bought back in Reserved Category, the Reserved Category Additional Shares shall be accepted in a proportionate manner and the acceptances shall be made in accordance with the Buyback Regulations, i.e. valid acceptances per Shareholder shall be equal to the Reserved Category Additional Shares tendered by the Shareholder divided by the total Reserved Category Additional Shares and multiplied by the total number of Shares remaining to be bought back in Reserved Category. For the purpose of this calculation, the Reserved Category Additional Shares taken into account for such Small Shareholders, from whom one Equity Share has been accepted in accordance with paragraph 19.5(b) above, shall be reduced by one.
- (d) Adjustment for fractional results in case of proportionate acceptance, as described in paragraph 19.5(c) above, will be made as follows:
 - For any Small Shareholder, if the number of Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - For any Small Shareholder, if the number of Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is less than 0.50, then the fraction shall be ignored.

19.6 **Basis of Acceptance of Equity Shares validly tendered in the General Category**

Subject to the provisions contained in this Letter of Offer, the Company will accept the Shares tendered in the Buyback Offer by Eligible Shareholders (other than Small Shareholders) in the General Category in the following order of priority:

- (a) Full Acceptance (i.e. 100%) of Shares from Eligible Shareholders in the General Category who have validly tendered their Shares, to the extent of their Buyback Entitlement, or the number of Shares tendered by them, whichever is less.
- (b) Post the acceptance as described in paragraph 19.6(a) above, in case, there are any validly tendered unaccepted Shares in the General Category (“**General Category Additional Shares**”) and Shares left to be bought back in General Category, the General Category Additional Shares shall be accepted in a proportionate manner and the acceptances shall be made in accordance with the Buyback Regulations, i.e. valid acceptances per Eligible Shareholder shall be equal to the General Category Additional Shares validly tendered by the Eligible Shareholders divided by the total General Category Additional Shares and multiplied by the total number of Shares remaining to be bought back in General Category.
- (c) Adjustment for fractional results in case of proportionate acceptance, as described in paragraph 19.6 (b) above, will be made as follows:
 - For any Eligible Shareholder, if the number of Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 (one) and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - For any Eligible Shareholder, if the number of Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 (one) and the fractional acceptance is less than 0.50, then the fraction shall be ignored.

19.7 **Basis of Acceptance of Shares between Categories**

- (a) After acceptances of tenders, as mentioned in paragraphs 19.5 and 19.6 above, in case, there are any Shares left to be bought back in one category (“**Partially filled Category**”), and there are additional unaccepted validly tendered Shares (“**Further Additional Shares**”) in the second Category (“**Over Tendered Category**”), then the Further Additional Shares in the Over Tendered Category shall be accepted in a proportionate manner i.e. valid Acceptances per Shareholder shall be equal to the Further Additional Shares validly tendered by an Eligible Shareholder in the Over Tendered Category divided by the total Further Additional Shares in the Over Tendered Category and multiplied by the total Shares left to be bought back in the Partially filled Category.

If the Partially Filled Category is the General Category and the Over Tendered Category is the Reserved Category, then any Small Shareholder who has received a Tender Form with zero entitlement and who has tendered Additional Shares shall be eligible for priority acceptance of one Equity Share before acceptance in paragraph 19.7 (a) above out of the Shares left to be bought back in the Partially Filled Category, provided no acceptance could take place from such Shareholder in accordance with paragraph 19.6.

- (b) Adjustment for fraction results in case of proportionate acceptance, as defined in paragraph 19.7 (a) above:
- For any Eligible Shareholder, if the number of Further Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - For any Eligible Shareholder, if the number of Further Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is less than 0.50, then the fraction shall be ignored.

19.8 For avoidance of doubt, it is clarified that the Shares accepted under the Buyback Offer from each Eligible Shareholder, in accordance with above clauses, shall be lower of the following:

- the number of Shares tendered by the respective Shareholder, and
- the number of Shares held by the respective Shareholder, as on the Record Date.

19.9 For the avoidance of doubt, it is clarified that the Equity Shares tendered by any Eligible Shareholder over and above the number of Shares held by such Eligible Shareholder as on the Record Date shall not be considered for the purpose of Acceptance in accordance with above clauses.

20. PROCEDURE FOR TENDER OFFER AND SETTLEMENT

21. NOTE ON TAXATION

Disclosures in this paragraph are based on expert opinion sought by the Company.

THE SUMMARY OF THE TAX CONSIDERATIONS IN THIS SECTION ARE BASED ON THE CURRENT PROVISIONS OF THE TAX LAWS OF INDIA AND THE REGULATIONS THEREUNDER, THE JUDICIAL AND THE ADMINISTRATIVE INTERPRETATIONS THEREOF, WHICH ARE SUBJECT TO CHANGE OR MODIFICATION BY SUBSEQUENT LEGISLATIVE, REGULATORY, ADMINISTRATIVE OR JUDICIAL DECISIONS. ANY SUCH CHANGES COULD HAVE DIFFERENT TAX IMPLICATIONS.

IN VIEW OF THE PARTICULARISED NATURE OF TAX CONSEQUENCES, SHAREHOLDERS ARE REQUIRED TO CONSULT THEIR TAX ADVISORS FOR THE APPLICABLE TAX PROVISIONS INCLUDING THE TREATMENT THAT MAY BE GIVEN BY THEIR RESPECTIVE TAX OFFICERS IN THEIR CASE, AND THE APPROPRIATE COURSE OF ACTION THAT THEY SHOULD TAKE.

THE COMPANY DOES NOT ACCEPT ANY RESPONSIBILITY FOR THE ACCURACY OR OTHERWISE OF SUCH ADVICE. THEREFORE, SHAREHOLDERS CANNOT RELY ON THIS ADVICE AND THE SUMMARY TAX IMPLICATIONS RELATING TO THE TREATMENT OF INCOME TAX IN THE CASE OF BUY BACK OF LISTED EQUITY SHARES ON THE STOCK EXCHANGE SET OUT BELOW SHOULD BE TREATED AS INDICATIVE AND FOR GUIDANCE PURPOSES ONLY.

1. GENERAL

The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from April 1 until March 31. A person who is an Indian tax resident is liable to taxation in India on his worldwide income, subject to certain tax exemptions, which are provided under the Income Tax Act, 1961 ("**Income Tax Act**").

A person who is treated as non-resident for Indian income-tax purposes is generally subject to tax in India only on such person's India sourced income or income received by such person in India. In case of shares of a Company, the source of income from shares would depend on the "situs" of such shares. As per judicial precedents, generally the "situs" of the shares is where company is "incorporated" and where its shares can be transferred. Accordingly, since Indian Energy Exchange Limited is incorporated in India, the shares of Indian Energy Exchange Limited would be "situated" in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the Income Tax Act. Further, the non-resident can avail the beneficial provisions of the Double Taxation Avoidance Agreement ('DTAA') between India and the respective jurisdiction of the shareholder subject to meeting relevant conditions and providing and maintaining necessary information and documents as prescribed under the Income Tax Act.

The Income Tax Act also provides for different tax regimes/ rates applicable to the gains arising on buyback of shares, based on the period of holding, residential status and category of the shareholder, nature of the income earned, etc. The summary tax implications on buyback of listed equity shares on the stock exchange is set out below. All references to equity shares in this note refer to listed equity shares unless stated otherwise.

2. CLASSIFICATION OF SHAREHOLDERS

Based on the provisions of the Income Tax Act, shareholders can be classified under the following categories:

(a) **Resident Shareholders being:**

- Individuals, Hindu Undivided Family (HUF), Association of Persons (AOP) and Body of Individuals

(BOI)

- Others

(b) **Non Resident Shareholders being:**

- Non Resident Indians (NRIs)
- Foreign Institutional Investors (FIIs)
- Foreign Companies
- Others

3. CLASSIFICATION OF INCOME

Shares can be classified under the following two categories:

- a) **Shares held as investment (Profit or Gains arising from transfer taxable under the head “Capital Gains”)**
- b) **Shares held as stock-in-trade (Profit or Gains arising from transfer taxable under the head “Profits and Gains from Business or Profession”)**

Gains arising from the transfer of shares may be treated either as “capital gains” or as “business income” for tax purposes, depending upon whether such shares were held as a capital asset or trading asset (i.e. stock-in-trade). Traditionally, the issue of characterisation of income arising from sale of shares has been a subject matter of litigation with the tax authorities. There have been various judicial pronouncements on whether gains from transactions in securities should be taxed as “business profits” or as “capital gains”. However, these pronouncements, while laying down certain guiding principles have largely been driven by the facts and circumstances of each case. Central Board of Direct Taxation (CBDT), the apex body of Income-Tax has issued Circular No. 6 of 2016, as per which, if the taxpayer opts to consider the shares as stock-in-trade, the income arising from the transfer of such shares would be treated as its business income. Also, if such shares are held for a period of more than 12 months, if the taxpayer desires to treat the income arising from the transfer thereof as “capital gains”, the same shall not be put to dispute by Income Tax Authorities. However, the choice on characterization, once taken by the taxpayer should be consistent, and shall apply for subsequent years as well.

Further, investments by FIIs in any securities in accordance with the regulations made under the Securities Exchange Board of India Act, 1992 would be treated as capital asset under the provisions of the Income Tax Act.

3.1. SHARES HELD AS INVESTMENT

As per the provisions of the Income Tax Act, where the shares are held as investments, income arising from the transfer of such shares is taxable under the head “Capital Gains”. Capital gains on buyback of shares are governed by the provisions of section 46A of the Income Tax Act and would attract capital gains in the hands of shareholders as per provisions of section 48 of the Income Tax Act. The provisions of Income Tax Act related to buy back of shares under section 115QA in Chapter XII-DA of the Income Tax Act do not apply to shares listed on the stock exchange.

3.1.1. Period of holding

Depending on the period for which the shares are held, the gains would be taxable as ‘short term capital gain’ or ‘long term capital gain’:

- A. In respect of equity shares which are listed on a recognised Stock Exchange, held for a period less than or equal to 12 months prior to the date of transfer, the same shall be treated as a ‘short-term capital asset’, and the gains arising therefrom shall be taxable as ‘short term capital gains’ (“STCG”).
- B. Similarly, where equity shares which are listed on a recognised Stock Exchange held for a period more than 12 months prior to the date of transfer, the same shall be treated as a ‘long-term capital asset’, and the gains arising therefrom shall be taxable as ‘long-term capital gains’ (“LTCG”).

3.1.2. Buyback of shares through a recognized stock exchange

Where transaction for transfer of such equity shares (i.e. buyback) is executed through a recognized stock exchange, they are liable to Securities Transaction Tax (“STT”). STT is a tax payable in India on the value of securities on every purchase or sale of securities that are listed on the Indian Stock Exchange. Currently, the STT rate applicable on the purchase or sale of shares on the stock exchange is 0.1% of the value of security.

The taxability of buyback proceeds would be as under:

- As per the provisions of the Income Tax Act as amended by the Finance Act, 2018, the exemption provided u/s 10(38) of Income Tax Act for LTCG has been withdrawn and tax @10% shall be levied on LTCG exceeding ₹1 Lac in a financial year arising on transfer of listed equity shares without allowing the benefit of indexation. However, gains accrued on such equity shares till 31st January, 2018 have been exempted by providing that the cost of acquisition in respect of such equity shares which would be transferred on or after 1st April, 2018 shall be higher of:
 - i) the actual cost of acquisition of such equity shares acquired before 1st February, 2018 or
 - ii) the lower of the following:

- (a) the highest price of such equity shares quoted on the recognised stock exchange on 31st January, 2018; or
- (b) the actual sale value of such equity shares.

However, as per Income Tax Notification No. 60/2018 [F. NO. 370142/9/2017-TPL] dated 01.10.2018, an exemption from the requirement of STT being paid at the time of acquisition of shares provided to certain modes of acquisition including acquisition of shares by a non-resident under the FDI policy. If acquisition is made in such specified modes, the rates specified above shall continue to apply, even if no STT was paid at the time of acquisition of the shares.

If STT is not paid at the time of acquisition of the shares being bought back, entire LTCG arising to the shareholder shall be subject to tax @ 10% under Section 112 of the IT Act (or 20% after claiming indexation benefit which is relevant in case of resident shareholders).

- STCG arising from such transaction would be subject to tax @ 15% under section 111A of the Income Tax Act, without any restriction on the mode of acquisition.

Further, resident corporate shareholders would also be subject to Minimum Alternate Tax under section 115JB of the Income Tax Act at the rate of 18.50%. This would however be available for offset against taxes payable by such corporate shareholders under normal tax provisions (subject to conditions). In addition to the Tax, Surcharge and Health and Education Cess are leviable (Please refer to Note 5 for rate of surcharge and cess).

In case of resident Individual or HUF, the benefit of maximum amount which is not chargeable to income-tax is considered while computing the tax on such STCG taxable under section 111A of the Income Tax Act. In addition to the above STCG tax, Surcharge and Health and Education Cess are leviable (Please refer to Note 5 for rate of surcharge and cess).

Non-resident shareholders can avail beneficial provisions of the applicable Double Taxation Avoidance Agreement ('DTAA') entered into by India with relevant country in which the shareholder is resident but subject to fulfilling relevant conditions and submitting/ maintaining necessary documents prescribed under the Income Tax Act.

As an overall point, since the buyback is undertaken on the stock exchange, such transaction is chargeable to Securities Transaction Tax ("STT"). STT is a tax payable in India on the value of securities on every purchase or sale of securities that are listed on the Indian Stock Exchange. Currently, the STT rate applicable on the purchase or sale of shares on the stock exchange is 0.1% of the transaction value separately in the hands of the Seller and the Company.

3.2. **SHARES HELD AS STOCK-IN-TRADE**

If the shares are held as stock-in-trade by any of the shareholders of the Company, then the gains would be characterized as business income and taxable under the head "Profits and Gains from Business or Profession". In such a case, the provisions of section 46A of the Income Tax Act would not apply.

3.2.1. **Resident Shareholders**

- A. For individuals, HUF, AOP, BOI, profits would be taxable at slab rates.
- B. Domestic Company having turnover or gross receipts not exceeding INR 250 crore of the previous year 2016-17 would be taxable @ 25%.
- C. For persons other than stated in (A) & (B) above, profits would be taxable @ 30%.

In addition to the above, Surcharge and Health and Education Cess are leviable (Please refer to Note 5 for rate of surcharge and cess).

No benefit of indexation by virtue of period of holding would be available in any case.

3.2.2. **Non Resident Shareholders**

- (a) Non-resident shareholders can avail beneficial provisions of the applicable Double Taxation Avoidance Agreement ('DTAA') entered into by India with relevant country to which shareholder belongs but subject to fulfilling relevant conditions and submitting/ maintaining necessary documents prescribed under the Income Tax Act.
- (b) Where DTAA provisions are not applicable:
 - For non-resident individuals, HUF, AOP, BOI, profits would be taxable at slab rates
 - For foreign companies, profits would be taxed in India @ 40%
 - For other non-resident shareholders, such as foreign firms, profits would be taxed in India @ 30%.

In addition to the above, Surcharge and Health and Education Cess are leviable (Please refer to Note 5 for rate of surcharge and cess).

4. **TAX DEDUCTION AT SOURCE (TDS)**

4.1. **In case of Resident Shareholders**

In the absence of any specific provision under the Income Tax Act, the Company is not required to deduct tax on the consideration payable to resident shareholders pursuant to the said Buyback.

4.2. In case of Non-resident Shareholders

Under the Income Tax laws, any capital gains paid to a non-resident is subject to deduction of tax at source, unless capital gains are realised by FIIs. However, since the buy-back is through the stock exchange, the company will not be able to withhold any taxes, and thus, the company believes that the responsibility of withholding/discharge of the taxes due on such gains (if any) is solely on the custodians/ authorised dealer/ non-resident shareholder with no recourse to the company.

It is therefore important that the non-resident shareholder consult their custodians / authorised dealers / tax advisors appropriately and immediately pay taxes in India (either through deduction at source or otherwise). In the event the company is held liable for the tax liability of the shareholder, the same shall be to the account of the shareholder and to that extent the company is entitled to be indemnified by such shareholder. The non-resident shareholders also to provide undertaking to the Company, to provide on demand, the relevant details in respect of the taxability/ non-taxability of the proceeds arising on buyback of Equity Shares by the Company, copy of tax return filed in India, evidence of the tax paid etc.

TDS as per clause 1(b) of Part II to First Schedule of Finance Act, 2018 which deals with TDS shall be made where the person is non-resident in India, as per rates given below:

S. No.	Nature of Income	Rate of TDS
A	On any investment income	20%
B	On Income by way of Long term gains referred to in Section 115E or sub clause (iii) of clause (c) of sub section (1) of Section 112 of the Income Tax Act	10%
C	On Income by way of long term capital gain referred to in Section 112A of the Income Tax Act	10%
D	On other Income by way of long term gains not being long term capital gains referred to in clauses (33) and (36) of section 10 of the Income Tax Act	20%
E	On Income by way of Short term capital gain referred to in Section 111A of the Income Tax Act	15%

5. RATE OF SURCHARGE AND CESS

In addition to the basic tax rate, Surcharge and Health and Education Cess are leviable as under:

5.1. Surcharge

- In case of domestic companies: Surcharge @ 12% is leviable where the total income exceeds Rs.10 crores and @ 7% where the total income exceeds Rs. 1 crore but upto Rs. 10 crores.
